- Each Partner must have a budget of at least 10% of total Operation budget.

**Advance payment:  
25% of the total cost of project**

## Eligible applicants/partners

- Non-profit-making legal person/entity established by a public or a private law for the purposes of public interest or specific purpose of meeting the needs of general interest.
- Profit-making legal person/entity is eligible only if 100% owned by the state, regional/local government units, or non-government organizations-NGOs.
- Applicants must be registered at least 12 months prior to the deadline for the submission of applications.
- Private partner (either lead partner or project partner) must have an annual income for the two last closed financial years (cumulatively) in amount at least equal to amount of grant requested (grant size of specific partner, not total project) - private partner = established by private law, e.g. NGO, limited liability companies or shareholding companies when 100% owned by the state, regional/local government.

## Partnership requirements

- At least two (2) partners from different participating countries (Croatia and Serbia).
- A Lead Partner (LP) must be appointed among the Project Partners (PP).
- Maximum number of partners:  
4 (including LP) for small-scale projects  
5 (including LP) for standard projects

## Partnership limitations

- One institution/organization can be selected for funding in a maximum of five (5) operations, out of which in a maximum of three (3) operations as a PP and in a maximum of two (2) operations as an LP (number of submitted project proposals per PP/LP is not limited!).
- In case when faculties within university are not a separate legal entity this limitation is applied to each faculty and not to university.
- In case of state/regional/local government institutions (e.g. ministries, counties, municipalities, cities) this limitation is applied to different organizational departments (units) within institutions.

## Eligibility of activities

- Each project **MUST** be developed around at least one action listed under selected SO.
- Non-exhaustive list of eligible actions/activities per SO can be found in Programme document (available at Programme website).

## Eligible cost categories

Interreg regulation defines the list of cost categories that are eligible:

- Staff costs,
- Office and administrative costs,
- Travel and accommodation costs,
- External expertise and services costs,
- Equipment costs,
- Costs for infrastructure and works.

Specific provisions for each cost category are stated in the Programme Manual on Eligibility (available at Programme website).

## Preparatory and contracting costs

- The lump sum for the preparatory and contracting cost amounts to 5.500,00 EUR, the total cost for the preparation and contracting (EU share of the lump sum will be paid to LP after signing the subsidy contract).

## Closure costs

- The lump sum for the closure costs amounts to 2.500,00 EUR (EU share of the lump sum will be paid to LP after approval of the final project progress report).

# Use of Simplified Cost Options

Use of Simplified Cost Options (SCOs) is mandatory by the Programme. Two options, which include different possibilities of using real and flat rate costs, are available to project partners:

## Option 1:

Cost category	Form of reimbursement
Staff costs	up to 20 % flat rate of direct costs (real costs)
Office and administrative costs	up to 15 % flat rate of staff costs
Travel and accommodation costs	up to 15% flat rate of staff costs
External expertise and services costs	Real costs
Equipment costs	Real costs
Costs of infrastructure and works	Real costs

## Option 2:

Cost category	Form of reimbursement
Staff costs	Real costs
Other costs	up to 40 % flat rate of staff costs for all other costs

# Programme indicators

A set of indicators has been defined for each Priority axis (PA) and Specific objective (SO):

- **Output indicators** – measuring the specific deliverables of the interventions.
- **Result indicators** – measuring the effects of the interventions supported, with reference to the direct addressees, population targeted or users of infrastructure.

A list of defined indicators per SO can be found in Programme document (available at Programme website).
